There is one further Interrogatory that we would like Union to answer by Thursday, July 5, 2007. The Interrogatory, which is Question No. 18 in the series of Interrogatories we have previously posed, is set out below.

18. In the context of its distribution, transmission, and other long range system expansion plans, please provide the estimated cross-over date when Union Gas Limited will begin to draw down the addition to its accumulated Deferred Taxes balance which it recorded in its 2006 Financial Statements as a result of the NGEIR Decision.

Please call me if providing a response to this further question creates any problems.

Yours very truly

Peter C.P. Thompson, Q.C.
