Dear Ms. Marconi,

**Re: EB-2022-0325 – Phase 2 of the Generic Hearing on Uniform Transmission Rates**

---

On July 5, 2024, the Ontario Energy Board (OEB) issued Procedural Order No. 3 in the above-noted proceeding, asking parties that previously proposed to file evidence to inform the OEB if they still plan to file evidence by July 16, 2024.

ENWIN Utilities Ltd. (ENWIN) is a participant in this proceeding, and it is writing to inform the OEB that it still plans to file evidence with respect to issues 4.1, 4.2, 4.3 and 4.4, including highlighting the impacts of double-peak billing on transmission-connected customers.

To avoid duplicative evidence, ENWIN will explore filing its evidence through the LDC Transmission Group.

Please do not hesitate to contact me if you have any questions or concerns.

Sincerely,

ENWIN Utilities Ltd.
