**DECISION AND ORDER**

Local Authority Services filed an application on May 16, 2024, with the Ontario Energy Board (OEB), pursuant to section 60 of the *Ontario Energy Board Act* (OEB Act), for an electricity retailer licence renewal. The licence would allow the applicant to continue providing electricity procurement programs to Ontario municipalities.

This Decision and Order is being issued by the Delegated Authority without a hearing pursuant to section 6(4) of the OEB Act.

After considering the application and assessing the applicant's technical capability, financial viability and conduct, the OEB finds that it is in the public interest to grant the application and issue an electricity retailer licence to Local Authority Services.

**IT IS ORDERED THAT:**

1. The application for an agent only electricity retailer licence is granted, on such conditions as are contained in the attached licence.
