Dear Ms. Marconi:

Re: Generic Proceeding – Cost of Capital and Other Matters
Ontario Energy Board File Number: EB-2024-0063

In accordance with Procedural Order No. 1 issued on March 28, 2024, please find attached the evidence of Nexus Economics prepared by Francis X. Pampush and Ralph Zarumba. This evidence is filed on behalf of the Electricity Distributors' Association ("EDA"), an Intervenor in this Proceeding.

EDA's evidence is titled Expert Report on the Cost of Capital and Certain Accounting Issues EB-2024-0063 and is dated July 19, 2024.

Also attached are the resumés and Acknowledgment of Expert's Duty forms of Messrs. Pampush and Zarumba, in accordance with Section 13A of the OEB's Rules of Practice and Procedure.

This report has been prepared within the confines of a process procedurally unfair to the EDA. Of particular concern are the mere 4 weeks (over the summer holidays) the Intervenor was provided to respond to LEI, and the service of two separate updates to actual earned ROE figures for Ontario utilities, including one on the eve of today's deadline for Intervenor evidence. EDA reserves all of its rights in this regard.
