### **Application for approval of electricity transmission revenue requirements for the period commencing January 1, 2025 and ending December 31, 2029**

#### **DECISION ON ISSUES LIST**

**July 25, 2024**

B2M Limited Partnership (B2M LP) filed an application with the Ontario Energy Board (OEB) on May 24, 2024, under section 78 of the *Ontario Energy Board Act, 1998*, seeking approval of electricity transmission revenue requirements for the period commencing January 1, 2025 and ending December 31, 2029 and related relief.

On July 12, 2024, the OEB issued Procedural Order No. 1 that, among other things, provided for the development of a proposed Issues List by OEB staff and the parties for the OEB's consideration.

OEB staff filed a proposed Issues List on July 24, 2024, and indicated that the parties had agreed on it. In addition, OEB staff's letter requested that the OEB waive the requirement under Rule 26.02(e)(ii) of the OEB's *Rules of Practice and Procedure* that interrogatories correspond to the issues list as parties may want to file interrogatories according to the exhibit numbers in the Application.

#### **Findings**

The OEB has reviewed the proposed Issues List and approves it for the purposes of this proceeding. The OEB has also considered the request to file interrogatories according to exhibit numbers and approves that request for this proceeding.

The OEB may update the Issues List as necessary to further define the scope of the proceeding.
