Frequent Intervenor Form:

OEB Proceedings:

n/a

Issues:

Hydro One's proposed transmission line crosses and comes close to pipeline and other facilities that Vector Pipeline operates along the proposed route of the transmission line. Vector Pipeline wants to ensure that its assets and easements will not be adversely impacted by the proposed project.

Policy Interests:

Vector Pipeline has a direct interest in all matters of jurisdiction, substance and procedure in the regulation of public utilities which may create a precedent affecting Vector Pipeline's operations.

Hearings:

No preference in hearing format.

Evidence:

Unknown at this time.

Coordination with Other Intervenor:

Unknown at this time.

Cost Awards:

Vector Pipeline Gas will not be seeking an award of costs.

Language Preference:

English
