Dear Ms. Marconi:

Re: EB-2023-0125 – Benefit-Cost Analysis Framework for Addressing Electricity System Needs.

Statement of Costs - Association of Major Power Consumers in Ontario (AMPCO) and Industrial Gas Users Association (IGUA).

As the Board is aware, in this process IGUA and AMPCO combined their intervention activities, and we represented both. This arrangement is reflected in the splitting of time reflected on each of our invoices equally between our two clients for billing and payment, which split is indicated on each of our supporting invoices. Similarly in preparing the cost claims for each organization each time entry has been allocated half to each client.

Yours truly,

Ian A. Mondrow
