Dear Ms. Mackinnon:

**Re: Correction to the renewed Electricity Distribution Licence of Hydro One Networks Inc.  
OEB File Number: EB-2024-0163**

On July 11, 2024, the Ontario Energy Board (OEB), pursuant to the Decision and Order in proceeding EB-2024-0163, issued a renewed Electricity Distribution Licence to Hydro One Networks Inc. (HONI). However, due an administrative oversight, the renewed licence did not include the amendment granted by the OEB, to HONI's electricity distribution licence, in proceeding EB-2024-0150, on May 2, 2024. Further, HONI's renewed electricity distribution licence included an exemption under Schedule 4 (List of RRR Exemptions), which is no longer in force.

Today, the OEB is reissuing the corrected electricity distribution licence (ED-2003-0043) to HONI, which includes the latest licence amendment granted in proceeding EB-2024-0150, and excludes the exemption listed under Schedule 4, of HONI's electricity distribution licence, which is no longer in force. Pursuant to Rule 41.02 of the Rules of Practice and Procedure, the OEB may at any time, without notice or a hearing of any kind, correct typographical errors, errors of calculation or similar errors made in its orders or decisions. The OEB considers this an administrative error pursuant to Rule 41.02. All other conditions of HONI's renewed electricity distribution licence (ED-2003-0043), issued on July 11, 2024, remain unchanged.

Yours truly,

John Pickernell  
Manager, Applications Administration
