**Re: EB-2024-0200 St. Laurent Pipeline Replacement Project  
CAFES Ottawa Intervenor Request**

Dear Ms. Marconi:

The Ottawa Community Associations for Environmental Sustainability (CAFES Ottawa) received the notice for the above noted application and requests Intervenor status. CAFES Ottawa has been in contact with Pollution Probe and intends to coordinate where practical with Pollution Probe. Michael Brophy is providing consulting support to promote efficiency and reduce overall costs. CAFES Ottawa may submit materials during the proceeding or where possible consolidate those activities with Pollution Probe. Providing CAFES Ottawa intervenor status provides the ability to accommodate this.

CAFES Ottawa is a network of local environmental and climate leaders in the City of Ottawa. CAFES Ottawa's members are urban, suburban and rural community associations, environmental organizations and citizens organizations. As of May 2023, the network includes over 150 individual and organizational representatives from across 23 wards and over 50 neighbourhoods.

CAFES Ottawa respectfully requests your acceptance of the request to participate and confirmation that it will be eligible for its costs. CAFES Ottawa is a not for profit organization and without funding support will not be able to actively participate in this important proceeding.

**Notice**

CAFES Ottawa requests that further communications with respect to this matter be sent to:

Angela Keller-Herzog  
Executive Director  
CAFES Ottawa  
166 Glebe Ave  
Ottawa ON
