Dear Ms. Luttrell:

**Re: Greater Sudbury Hydro Inc. (Greater Sudbury Hydro)
Delay in Filing 2025 Cost of Service Application
Ontario Energy Board File Number: EB-2024-0026**

This letter is in response to your letter to the Ontario Energy Board (OEB) dated June 26, 2024, requesting an extension to the date for the filing of Greater Sudbury Hydro's 2025 distribution rate application from August 30, 2024 to October 31, 2024. Greater Sudbury Hydro noted that it has been working on its application with the goal of meeting the current filing deadline, however, there are elements that require further work and resources.

The OEB grants Greater Sudbury Hydro's request for an extension. Greater Sudbury Hydro shall file its 2025 distribution rate application with the OEB by October 31, 2024.

Please be advised that changes to the case schedule could affect the timing of the OEB's final decision in this matter.

Any questions regarding this matter should be directed to [Donald Lau](#), Manager, Electricity Distribution Rates II.

Yours truly,

Nancy Marconi
Registrar
