Good morning, Veronica,

I am writing to nominate our Director of Regulatory Affairs, Dan Gopic for the Transmission Connections Review working group. I understand that the deadline for nominations has passed, and I apologize for the lateness of this submission.

Dan's extensive regulatory experience, and our recent transmission connection challenges due to significant growth will make him an excellent candidate for this role. His insights and contributions would be invaluable to the committee's objectives.

I kindly ask for your understanding and consideration in accepting this nomination. Please confirm if this submission can be still considered.

Thanks,

Hassan Syed
