Dear Ms. Marconi:

**Re: Enbridge Gas Inc.  
Application for Renewal of Franchise Agreement and New CPCN  
Township of Guelph/Eramosa  
Ontario Energy Board File No. EB-2024-0188**

Further to the May 28, 2024 application, attached is an updated Schedule A map showing the current geographical location of the Township of Guelph/Eramosa and a customer density representation of Enbridge Gas' service area.

While the application accurately indicated that a portion in the southeast section of the Township of Guelph/Eramosa encompassing the Dolime Quarry was annexed by the City of Guelph on January 1, 2022, we have discovered that the original customer density map submitted at Schedule A did not properly reflect that annexation.

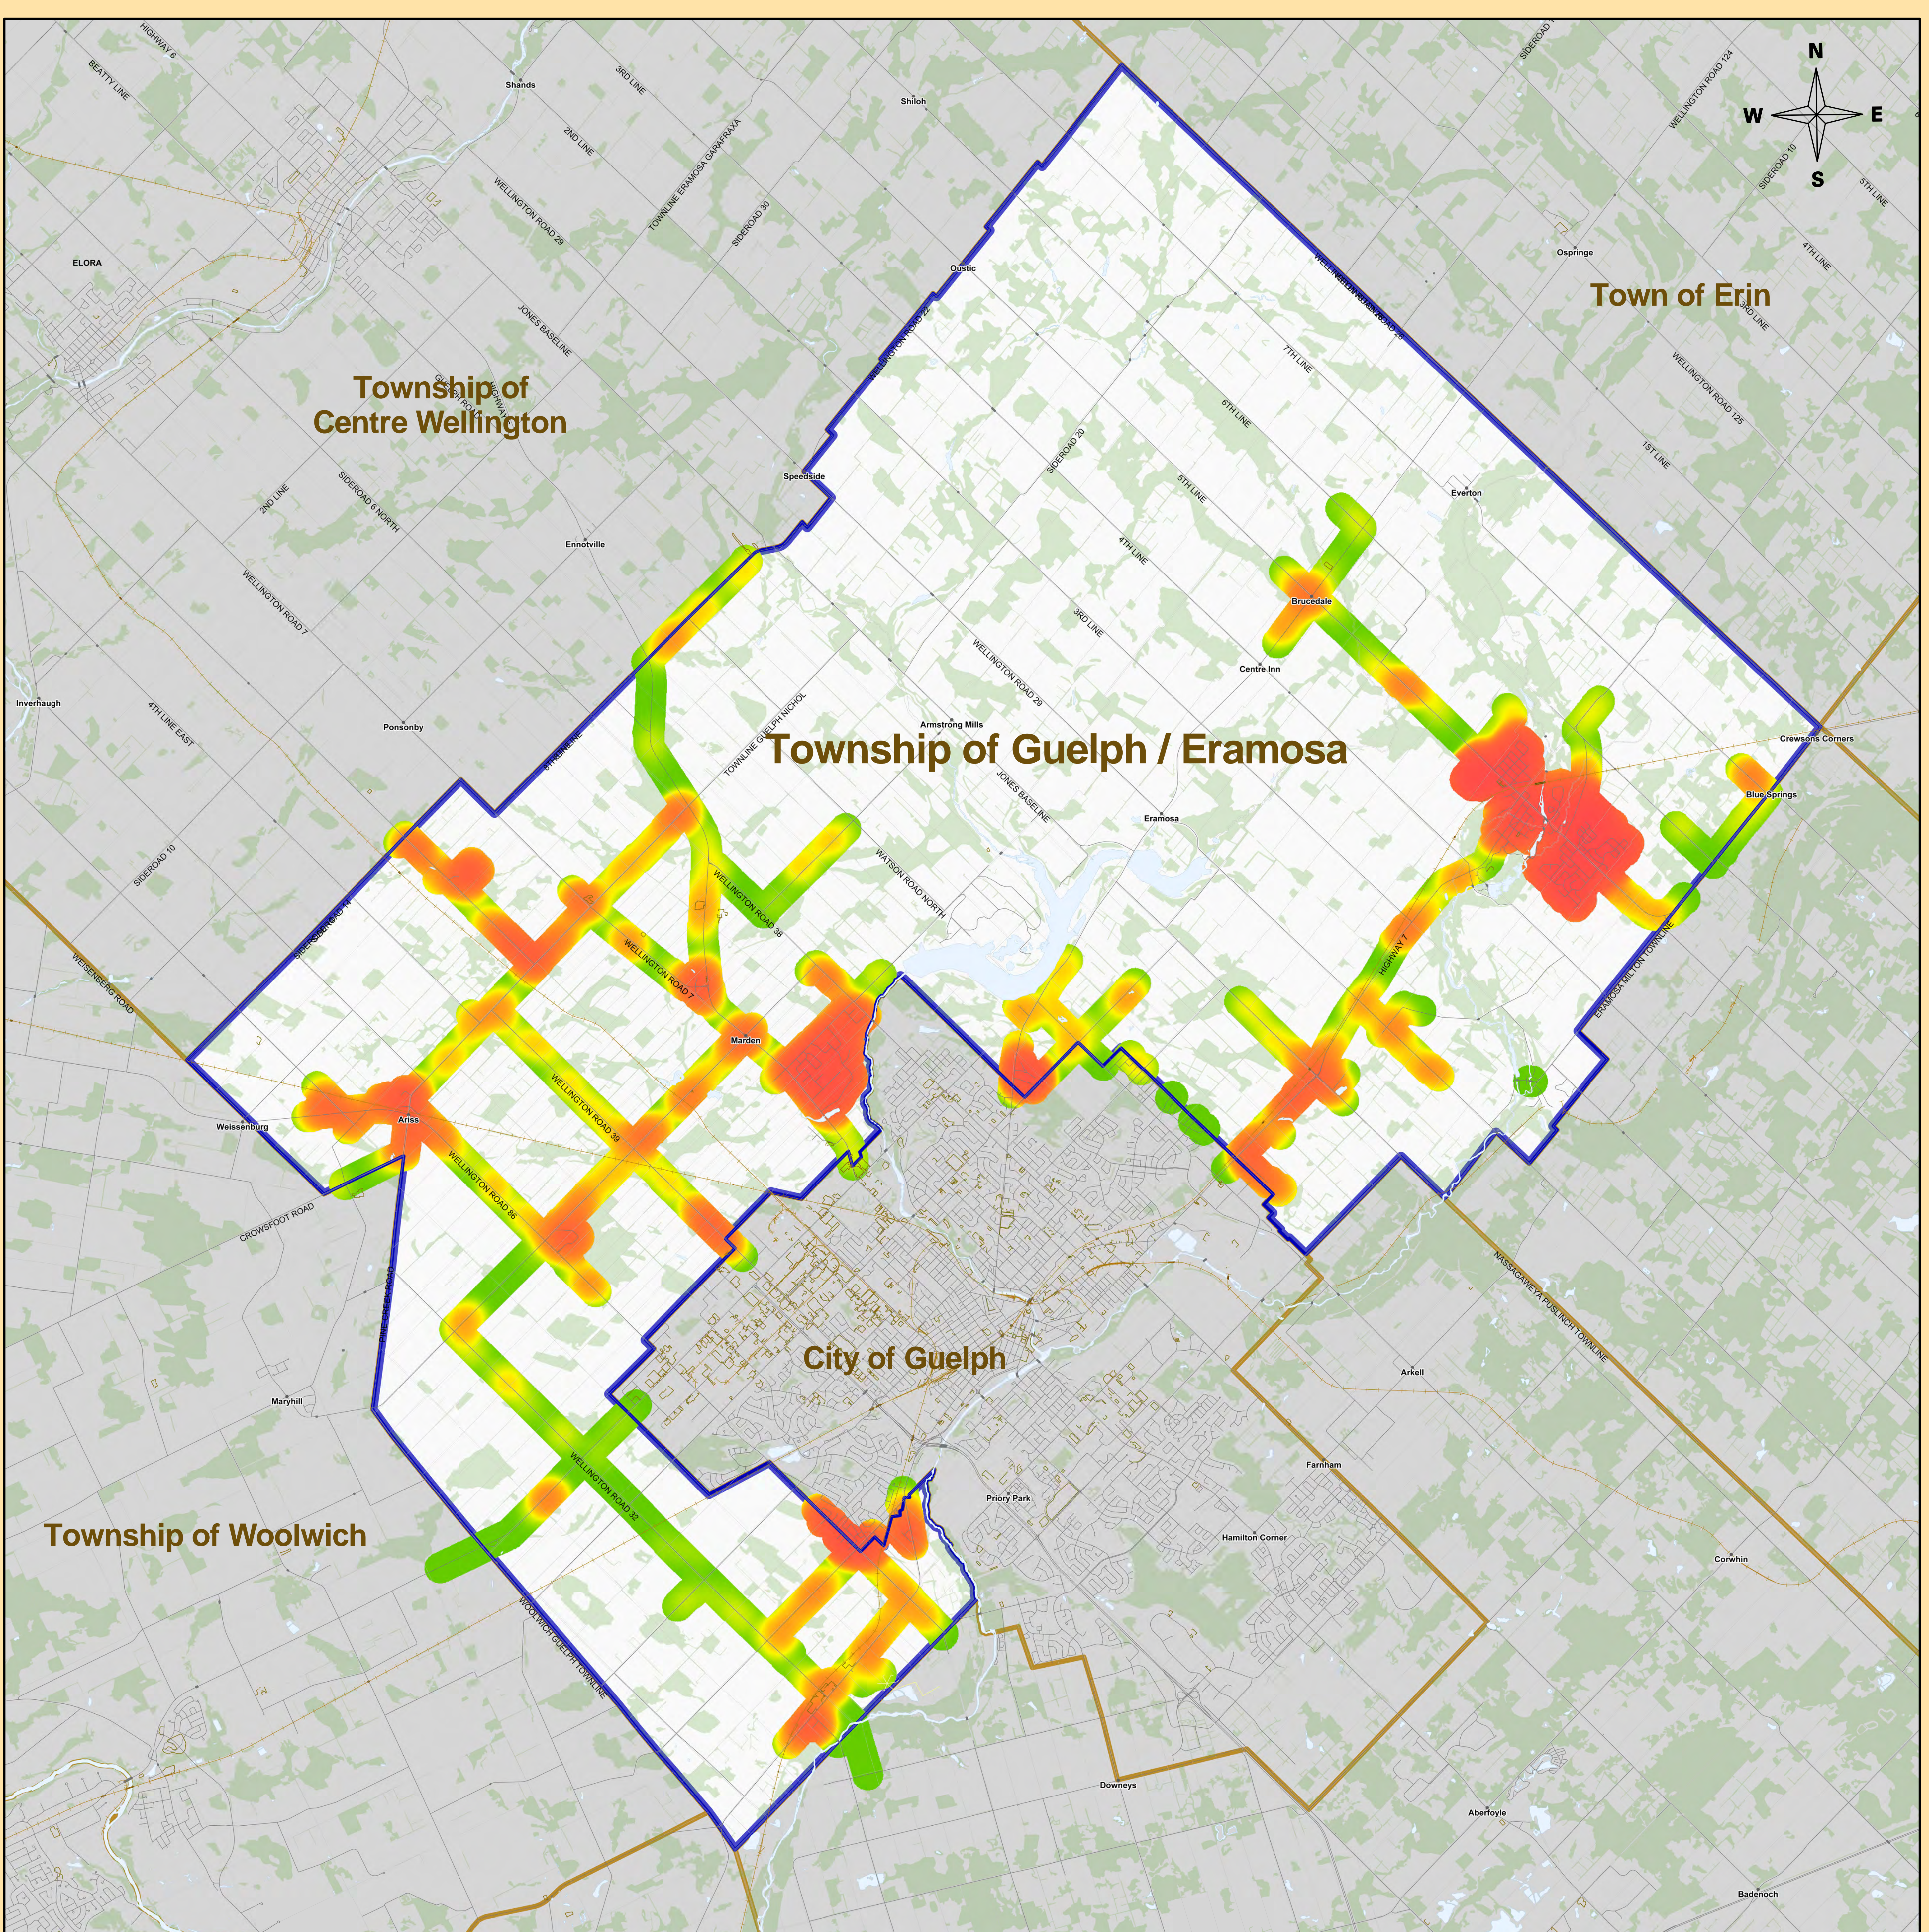

Should you have any questions on this submission, please do not hesitate to contact me.

Yours truly,
