

# NOTICE OF A RATE HEARING

## Hydro One Sault Ste. Marie LP has applied to change its electricity transmission rates effective January 1, 2025

Hydro One Sault Ste. Marie LP has applied to the Ontario Energy Board (OEB) for approval to change its electricity transmission rates effective, January 1, 2025. The application seeks an Order for approval of the following:

- Rates revenue requirement for 2025
- Approval to dispose of the balance in the Earning Sharing Mechanism Account as of December 31, 2023

If the application is approved as filed, the monthly bill of a typical residential and general service customer would see the following change effective January 1, 2025:

<b>Residential (750 kWh)</b>	<b>\$(0.004) per month</b>
<b>General Service less than 50kW (2,000 kWh)</b>	<b>\$(0.009) per month</b>

Other customers, including businesses, will also be affected.

Any change to the provincial transmission rate will be reflected on the delivery line of the electricity bill for all electricity customers in Ontario. It is important to review the application carefully to determine whether you may be affected by the proposed changes.
