Dear Ms. Marconi:

**Re: Enbridge Gas Inc. 2024 Rates Application – Phase 2  
Filing of Expert Evidence by Ontario Energy Board (OEB) Staff  
OEB File No. EB-2024-0111**

In accordance with the Decision on Issues List and Procedural Order No. 2, dated May 30, 2024, OEB staff and intervenors are required to file expert evidence by August 12, 2024. In Procedural Order No. 3 issued on August 8, 2024, the OEB suspended the deadline for the Heating, Refrigeration and Air-Conditioning Institute of Canada to file evidence but the filing deadline for other expert evidence remained unchanged.

OEB staff wishes to inform the OEB and all parties to the proceeding that due to medical reasons, the Pacific Economics Group (OEB staff consultant) requires an additional day to finalize its report. Accordingly, OEB staff will file its expert evidence on August 13, 2024. Thank you for your understanding in this matter.

Yours truly,

Khalil Viraney  
Case Manager EB-2024-0111
