Dear DT Vollmer:

**Re: Request for Intervenor Status and Cost Eligibility
Review of 2023 Utility Earnings and Disposition of Deferral and Variance
Account Balances
Ontario Energy Board File Number: EB-2024-0125**

This letter is in response to your letter dated August 9, 2024, filed on behalf of Minogi Corp. (Minogi), requesting late intervenor status and cost eligibility in the above proceeding.

In its late intervention request, Minogi stated that, if granted intervenor status, it will not delay the proceeding and will accept the current record. Minogi submitted that granting its request will not cause prejudice or otherwise disadvantage any party, and that Minogi's perspective will assist the Ontario Energy Board and the applicant to better understand the unique interests of otherwise unrepresented Enbridge Gas Inc. (Enbridge Gas) customers and impacted First Nations, especially in relation to issues relating to unaccounted for gas.

Enbridge Gas did not object to Minogi's late intervention request.

Minogi is approved as an intervenor and is eligible to apply for an award of costs under the OEB's [Practice Direction on Cost Awards](#). An updated list of participants in this proceeding is attached to this letter.

Yours truly,

Nancy Marconi
Registrar
