Dear Mr. Elson:

**Re: Environmental Defence
Motion to Review the OEB's Decisions in the EB-2022-0111, EB-2023-0200,
EB-2023-0201 and EB-2023-0261 Applications
Ontario Energy Board File Number: EB-2024-0197**

The OEB is in receipt of your letter of July 25, 2024 soliciting input in relation to the continuation of Environmental Defence's motion to review the above-captioned Decisions relative to the appeal that Environmental Defence has filed in the Divisional Court. For additional context, the OEB notes that an order holding the appeal in abeyance pending the outcome of the motion to review has been issued by the Divisional Court on consent, and that there is no stay in effect in relation to any of these Decisions.

Whether and how to proceed with the motion to review and appeal are matters for Environmental Defence to decide. The OEB has established a process for dealing with Environmental Defence's motion to review and that of the Federation of Rental-housing Providers of Ontario (the latter related solely to the Bobcaygeon Decision) in its Notice and Procedural Order No. 1, issued July 22, 2024, and expects that parties will continue to adhere to that schedule absent any new developments.

Please direct any questions relating to this matter to Senior Advisor, Judith Fernandes, at 416-440-7638 or Judith.Fernandes@oeb.ca.

Yours truly,

Nancy Marconi
Registrar
