Dear Danielle Wakelin:

**Re: Lakefront Utilities Inc.
Delay in Filing 2025 Incentive Rate Setting Mechanism (IRM) Application
Ontario Energy Board File Number: EB-2024-0038**

Thank you for your letter dated August 12, 2024, informing the Ontario Energy Board (OEB) that Lakefront Utilities Inc. expects to file its 2025 IRM application by September 6, 2024.

The OEB's [letter](#) dated June 18, 2024 provided a schedule to all distributors for the filing of their 2025 IRM applications. In accordance with that letter, Lakefront Utilities Inc application was expected to be filed with the OEB by August 15, 2024. While the OEB appreciates the challenges identified by Lakefront Utilities Inc. in preparing its application, please be advised that any delays to the filing of Lakefront Utilities Inc.'s application could affect the timing of the OEB's final decision in this matter and the implementation of rates on January 1, 2025.

Any questions regarding this matter should be directed to David Martinello, Manager, Incentive Rate Setting Mechanism Applications at David.Martinello@oeb.ca.

Yours truly,

Nancy Marconi
