Dear Ms. Marconi,

Re: Generic Proceeding – Cost of Capital and Other Matters
Board File No.: EB-2024-0063

We write on behalf of Minogi Corp. (“**Minogi**”) and in response to the Board’s letter dated August 14, 2024, in which the Board provides clarification of Procedural Order No. 3 and its intentions for the upcoming Presentation Day, scheduled for September 5 in the above-noted proceeding.

On the basis of Procedural Order No. 1, Minogi had begun its preparations for a presentation, which it expected would focus on the ways cost of capital can present unique challenges for First Nations interested in more active participation in Ontario’s energy sector. Minogi strongly believes that these perspectives have historically been disadvantaged or excluded from Ontario’s most important policy conversations, underscoring the importance of open processes that provide First Nations with the full opportunity to be heard.

Minogi wishes to thank the Board for its clarification, and it looks forward to the opportunity to make an opening statement at the outset of the oral hearing on September 25, 2024.

Sincerely,

A handwritten signature in black ink, appearing to read "Nicholas Daube".

Nicholas Daube
