Dear Ms. Marconi:

**EB-2022-0335 Enbridge Gas Inc. Application for Integrated Resource Planning Pilot Projects Technical Conference - Building Owners and Managers Association Time Estimate**

The Building Owners and Managers Association (BOMA) estimates 45 minutes of questions on Issues 1 (Project Need), 2 (Project Alternatives), 3 (Proposed Project), 4 (Project Cost and Economics) and 5 (Stakeholdering). Our primary interests are the nature and extent of commercial building representation in the pilot project, and more broadly engagement of commercial buildings in targeted gas demand reduction projects which can avoid, reduce or defer natural gas system infrastructure investments. BOMA may also ask follow-up questions on issues brought up by other parties during the technical conference.

Please note that Mr. Ian Jarvis will attend the August 27<sup>th</sup> Technical Conference on behalf of BOMA. Please include Ian ([ijarvis@enerlife.com](mailto:ijarvis@enerlife.com)) on all communication pertaining to this Technical Conference.

Sincerely,
