Dear Lise Wilkinson:

**Re: Hydro 2000 Inc. (Hydro 2000)
Delay in Filing 2025 Cost of Service Application
Ontario Energy Board File Number: EB-2024-0030**

This letter is in response to your letter dated August 28, 2024, informing the Ontario Energy Board (OEB) of a delay in the filing of Hydro 2000's 2025 cost of service application from August 30, 2024, to before or on October 15, 2024.

The OEB grants Hydro 2000's request for an extension. Hydro 2000 shall file its 2025 distribution rate application with the OEB by October 15, 2024.

Please be advised that any delays to the filing of Hydro 2000's application could affect the timing of the OEB's final decision in this matter.

Any questions regarding this matter should be directed to [Darryl Seal](#), Manager, Electricity Distribution Rates I.

Yours truly,

Nancy Marconi
Registrar
