Dear Ms. Marconi:

Re: EB-2024-0111 – Enbridge Rebasing Phase 2 – Confidentiality Claim

We are counsel for the Heating, Refrigeration and Air Conditioning Institute of Canada (HRAI).

Please be advised that we have today filed submissions pursuant to Procedural Order #6 in this matter. Because the submissions refer to the documents currently being treated as confidential, and because the references in the submissions refer to parts of documents that have not been released to those who have filed Declarations, we have provided them only to counsel for the Applicant and OEB Counsel.

The confidential references are too extensive to prepare a redacted version. We will be guided by the instructions of the OEB before we place anything on the public record.

All of which is respectfully submitted.

Yours very truly,
Shepherd Rubenstein Professional Corporation
