Dear Malcolm McCallum:

**Re: Rideau St. Lawrence Distribution Inc.
Delay in Filing 2025 Incentive Rate Setting Mechanism (IRM) Application
Ontario Energy Board File Number: EB-2024-0053**

This letter is in response to your letter dated September 9, 2024, requesting an extension to the date for the filing of Rideau St. Lawrence Distribution Inc.'s (Rideau St. Lawrence Distribution) 2025 IRM application on or before November 20, 2024.

The OEB's [letter](#) dated June 18, 2024, provided a schedule to all distributors for the filing of their 2025 IRM applications. In accordance with that letter, Rideau St. Lawrence Distribution's application was expected to be filed with the OEB by October 9, 2024. While the OEB appreciates the challenges identified by Rideau St. Lawrence Distribution in preparing its application, please be advised that any delays to the filing of Rideau St. Lawrence Distribution's application could affect the timing of the OEB's final decision and the implementation of rates on May 1, 2025.

Rideau St. Lawrence Distribution's request to file its IRM application on or before November 20, 2024, is granted.

Any questions regarding this matter should be directed to David Martinello, Manager, Incentive Rate Setting Mechanism Applications at David.Martinello@oeb.ca.

Yours truly,

Nancy Marconi
