

**NATURAL RESOURCE GAS LIMITED  
RESPONSE TO BOARD STAFF INTERROGATORIES**

Question 1

Please provide a table showing the specific rebate amounts for all of NRG's customer rate classes. The table should show the rate class, average use per customer, rebate per unit ( $\text{m}^3$ ), and the rebate amount.

Answer

The following table shows the calculation of the average rebate amounts for each rate class.

Rate Class	Average Use ( $\text{m}^3$ )	Rebate per $\text{m}^3$	Rebate Amount
Rate 1 Residential	1,910.5	\$0.002091	\$3.99
Rate 1 Commercial	9,442.1	\$0.002091	\$19.74
Rate 1 Industrial	21,927.2	\$0.002091	\$45.85
Rate 2	16,602.9	\$0.002091	\$34.72
Rate 3	754,116.0	\$0.002091	\$1,576.86
Rate 4	20,048.3	\$0.002091	\$41.92
Rate 5	212,572.8	\$0.002091	\$444.49

Question 2

Please provide the schedule showing the PGTVA unit rebate rates, including any conditions that might relate to the rebate, that are proposed for each rate class for inclusion as an appendix to the Board's rate order in this proceeding.

Answer

The following one-time rebate rates related to the clearance of the Purchased Gas Transportation Variance Account ("PGTVA") will apply to all customers in proportion to their final fiscal 2007 (October, 2006 through September, 2007) delivery volumes. The rebate shall be reflected in customers' bills within two months of the date of the Board's order in this proceeding.

Rate Class	Rebate per $\text{m}^3$
Rate 1	\$0.002091
Rate 2	\$0.002091
Rate 3	\$0.002091
Rate 4	\$0.002091
Rate 5	\$0.002091
