In a letter dated September 12, 2024, Ontario Energy Board (OEB) staff informed the OEB that an update on the settlement conference discussions will be provided by September 16, 2024.

OEB staff advises the OEB that settlement discussions related to the above noted proceeding have still not concluded and further discussions are expected to take place in the coming days. Although no further time has been allotted for the settlement conference, parties have considered the possibility of continuing the settlement discussions after concluding the settlement discussions for the Enbridge Gas Deferral and Variance Accounts and Earnings Sharing proceeding (EB-2024-0125). Staff will provide a further update on Wednesday, September 18, 2024.
