**RE: EB-2024-0186 Motion for Review of Board Decision in EB-2022-0111
FRPO Request for Extension**

REQUEST & SUPPORT

We are writing on behalf of the Federation of Rental-housing Providers of Ontario (FRPO) in regard to Procedural Order No. 2 issued August 22, 2024.

The Board is aware of the on-going Enbridge Gas Inc. rebasing proceeding which is currently in Phase 2. As communicated by Board Staff in its letter earlier today, *settlement discussions related to the above noted proceeding have still not concluded and further discussions are expected to take place in the coming days.*¹ This extension of discussions could not have been contemplated at the time of the issuance of PO#2.

FRPO has been participating on an on-going basis in settlement discussions with Enbridge since Enbridge filed its submissions September 12, 2024 in the Motion proceeding. The timing of completion of the settlement discussions is uncertain. To be able to focus our efforts on these settlements while providing the Board, FRPO's considered submissions in response to those of Enbridge, we respectfully request an extension in the deadline for those submissions to September 26, 2024.

Thank you for your consideration of the above request.

Respectfully Submitted on Behalf of FRPO,

Dwayne R. Quinn
Principal
DR QUINN & ASSOCIATES LTD.
