Dear Danielle Wakelin:

**Re: Lakefront Utilities Inc. (Lakefront)
Application for (2025 Distribution Rate Application)
OEB File Number: EB-2024-0038**

Further to the Ontario Energy Board's (OEB) acknowledgment letter dated September 9, 2024, the OEB has completed its preliminary review of 2025 Price Cap Incentive Rate-setting application and will now commence the processing of your application. The next steps will be communicated in due course.

Pursuant to Chapter 1 of the [OEB's Filing Requirements For Electricity Distribution Rate Applications](#), Lakefront has confirmed that the documents it has filed in support of the above referenced application do not include any personal information (as that phrase is defined in the *Freedom of Information and Protection of Privacy Act*) that has not otherwise been redacted.

Lakefront is reminded that it is responsible for ensuring that the documents it files with the OEB, such as its evidence, responses to interrogatories and any other supporting documentation, do not include personal information (as that phrase is defined in the *Freedom of Information and Protection of Privacy Act*), unless filed in accordance with rule 9A of the OEB's *Rules of Practice and Procedure*.

Please direct any questions relating to this application to Harshleen Kaur, Advisor at 416-440-8136 or harshleen.kaur@oeb.ca.

Yours truly,

Nancy Marconi
