Dear Oana Stefan:

**Re: Algoma Power Inc. (Algoma Power)  
2025 Cost of Service Application  
Ontario Energy Board File Number: EB-2024-0007**

This letter is in response to your correspondence to the Ontario Energy Board (OEB) dated September 20, 2024, requesting an extension for the continuation of the settlement conference until September 27, 2024.

The OEB grants Algoma Power's request for an extension. Further procedural orders may be issued by the OEB once parties inform the OEB of the status of the settlement discussion.

Please be advised that changes to the case schedule could affect the timing of the OEB's final decision in this matter.

Yours truly,

Nancy Marconi  
Registrar
