Dear Ms. Marconi

**Re: County of Lennox and Addington Franchise Agreement
EB-2024-0134**

I am writing on behalf of the Concerned Residents to submit a Notice of Motion for full and adequate interrogatory responses under Rule 27 of the OEB's *Rules of Practice and Procedure*. To expedite the process, we have included our initial submissions within the Notice of Motion. We therefore propose that the next steps include submissions from other parties on the motion, followed by a reply from the Concerned Residents. We have also re-filed our interrogatories in order to fix two typographical errors.¹

The Concerned Residents also request that the deadline for the submissions be vacated as the content of those submissions will depend on the outcome of this motion and the request to file evidence submitted on October 1, 2024.

Thank you for considering this request.

Yours truly,

Kent Elson

cc: Parties in the above proceeding

¹ The errors were in the interrogatory number prefixes (ED has been replaced by CR) and the citation for a regulation (O. Reg. 548/06 has been replaced by O. Reg. 584/06).
