requirements for the period commencing

DECISION ON ISSUES LIST

October 3, 2024

Chatham x Lakeshore Limited Partnership (CLLP) filed an application with the Ontario Energy Board (OEB) on July 12, 2024, under section 78 of the *Ontario Energy Board Act, 1998*, seeking approval of electricity transmission revenue requirements for the period commencing January 1, 2025 and ending December 31, 2029.

On August 30, 2024, the OEB issued Procedural Order No. 1 that, among other things, provided for the development of a proposed Issues List by OEB staff and the parties for the OEB's consideration.

OEB staff filed a proposed Issues List on September 5, 2024, and indicated that the parties had agreed on it. In addition, OEB staff's letter requested that the OEB waive the requirement under Rule 26.02(e)(ii) of the OEB's *Rules of Practice and Procedure* that interrogatories correspond to the issues list as parties may want to file interrogatories according to the exhibit numbers in the Application.

Findings

The OEB has reviewed the proposed Issues List and approves it for the purposes of this proceeding. The OEB understands that parties filed their interrogatories according to exhibit numbers, and the OEB confirms that that approach is acceptable for the purposes of this proceeding.

The OEB may update the Issues List as necessary to further define the scope of the proceeding.
