Issues:

Members and supporters of Energy Probe are ratepayers of the applicant. The rates they pay will be impacted by the outcome of this proceeding.

Policy Interests:

Energy Probe has no specific policy interest in this proceeding.

Hearings:

Energy Probe has no preference for a specific form of hearing.

Evidence:

Energy Probe does not intend to file evidence.

Coordination with Other Intervenors:

Energy Probe intends to co-ordinate with other intervenors to avoid any potential duplication, where several intervenors ask same or similar interrogatories. Where possible, Energy Probe intends to share drafts of interrogatories and submissions with other intervenors.

Cost Awards:

Energy Probe applies for recovery of its reasonably incurred costs during its intervention in this proceeding. Energy Probe is a non-profit organization which relies on individual donations to help protect the public interest. Without the prospect of an award of costs, Energy Probe's ability to participate in OEB proceedings would be limited. Energy Probe's members and supporters are customers of the Applicant and eligible for an award of costs according to section 3.03(a) of the Practice Direction. Energy Probe has participated in many past natural gas and electricity proceedings in Ontario, including consultations, rate cases, and other processes and hearings, and has been found eligible to be paid its reasonably incurred costs.

Language Preference:

Energy Probe does not intend to participate using the French language.
