Issues:

Pollution Probe has been an active participant in DSM account clearance proceedings. The issues of focus for this proceeding are the amounts, calculation and underlying support for the accounts requested for clearance. This proceeding will have a direct impact on consumers (i.e. rates) and policy implications (compliance with the DSM policies, procedures and OEB Decision pertaining to 2022). The 2022 DSM programs have been subject to a DSM audit and the 2024 interim DSM amount requested to be cleared has not been subject to a DSM audit at this time.

Policy Interests:

Please refer to Section 3.

Hearings:

Written hearing

Evidence:

Pollution Probe does not propose to commission evidence for this proceeding.

Coordination with Other Intervenors:

Pollution Probe has been an active and valuable participant in OEB proceedings and will continue to coordinate its activities with impacted consumers, intervenors, and other parties as appropriate.

Cost Awards:

Pollution Probe respectfully requests your acceptance of this Intervenor request and confirmation that it will be eligible for its costs.

Pollution Probe is a not-for-profit charitable organization. We receive individual donations as well as funding for consumer and research projects. Without the prospect of an award of costs, Pollution Probe's ability to participate in this proceeding would not be possible.

Language Preference:

English
