

ONTARIO ENERGY BOARD

IN THE MATTER OF the *Ontario Energy Board Act, 1998, S.O. 1998;*

AND IN THE MATTER OF an application filed by Ontario Power Generation seeking approval of the Reliability Must-run agreement entered into with the Independent Electricity System Operator in relation to Ontario Power Generation's Lennox generating station.

NOTICE OF INTERVENTION

1. The Independent Electricity System Operator (the "IESO") seeks to intervene in the proceedings for the purpose of participating in the hearing of this matter. The IESO intends to participate by, *inter alia*, making written submissions, responding to relevant interrogatories or enquiries from the Ontario Energy Board (the "Board"), Board Staff and other parties, and appearing at any oral hearing held by the Board in respect to hearing of this matter.
2. The IESO is a non-profit, non-share capital corporation independent of all other participants in the Ontario electricity industry. The IESO is established under the *Electricity Act, 1998* to administer the Ontario wholesale power market, and to direct the operation and maintain the reliability of the IESO-controlled grid. The IESO does not own any electric power generation or transmission facilities. It directs the operation of transmission and generation facilities, including interconnections that including interconnections that are situated in Ontario.
3. The IESO's responsibilities and obligations are more precisely set out in the Market Rules which, among other things, detail the requirements to ensure the availability of sufficient resources to provide physical services to maintain reliability of the IESO-controlled grid. The IESO is counterparty to the Lennox Reliability

Must-Run agreement; accordingly, the IESO has a direct and substantial interest in all aspects of this proceeding.

4. The IESO wishes to receive copies of all evidence filed by the applicant and intervenors. The IESO asks that copies of all filed materials be sent to the IESO at the address set out below.
