Hi Susi,

I noticed in EB-2016-0280 the contact is incorrect. Can you make sure it has Todd Ambachtsheer, [tambachtsheer@kpmg.ca](mailto:tambachtsheer@kpmg.ca) - 647-777-5319

Thanks.

Hi Peter,

Attached please find an Order transferring 1721027 Ontario Inc. (operating as Becker Co-Generation Plant)'s licence to Hornepayne Power Inc. as a result of the court supervised receivership proceeding as described in the pdf attached. I've attached the licence but it does not need to be signed at this time.

The Order is the only thing needing to be signed as it is a conditional order based on the timing of the close of the transaction. When confirmation of the transfer of the RESOP contract to the newly licensed entity is provided to the OEB than a revised licence will be issued on that date which will be sent for your review. This is similar to the practice taken in the Seacliff Ltd transfer of licence that Irina did back in March 2015.

Please review and if you have any questions please let me know. Thanks.
