Dear Ms. Marconi:

RE: Algoma Power Inc. ("API") Application for 2025 Electricity Distribution Rates Ontario Energy Board ("OEB") File No. EB-2023-0007

On September 26, 2024, API informed the OEB that, following the settlement conference, API and the parties are working towards filing a complete settlement proposal on all issues deemed eligible for settlement. Through Procedural Order No. 2 the OEB provided for a filing deadline for a settlement proposal of October 22, 2024.

The parties agree that additional time is required to produce the written settlement proposal; accordingly, API is requesting an extension on behalf of all the parties until October 25, 2024, to submit the full settlement proposal with the OEB. API and the parties will endeavor to submit the settlement proposal prior to this date if possible.

If you have any questions or concerns, please do not hesitate to contact me.

Sincerely,

Oana Stefan
