Dear Ms. Marconi:

**Re: OEB File No. EB-2023-0195, Toronto Hydro-Electric System Limited (“Toronto Hydro”)
2025-2029 Custom Rate Application for Electricity Distribution Rates and Charges –
Letter Requesting Virtual Decision Lock-Up**

Through this letter, Toronto Hydro is requesting a virtual “lock-up” to review the OEB Decision prior to its public release. This would be in keeping with past OEB practice in respect of Toronto Hydro rebasing applications. It would be in the public interest for the OEB to host the lock-up, as it would allow Toronto Hydro an opportunity to ready itself to prepare appropriate communications for customers and other stakeholders.

Please contact us if you have any questions.

Sincerely,

Andrew J. Sasso
