Dear Mr.Boyle and Ms. Aloussis:

The OEB is in receipt of an Application for Review of Amendments to the IESO's Ontario Electricity Market Rules under s. 33(4) of the Electricity Act, 1998 made by Capital Power Corporation, Thorold CoGen L.P., Portlands Energy Centre L.P. dba Atura Power, St. Clair Power L.P., TransAlta (SC) L.P. (the "NQS Generation Group"). As Chief Commissioner, it is my responsibility to assign panels for the hearing and determination of matters over which the OEB has jurisdiction. Commissioner Anthony Zlahtic was employed by Capital Power Corporation until July 29, 2020. The OEB has not identified any policy or regulation that would preclude Commissioner Zlahtic from participating as a panel member in this proceeding. If any party objects to the assignment of Commissioner Zlahtic to this matter, they are to advise by end of day on Tuesday, November 12, 2024, 5:00pm in writing to the Registrar. I will assign the panel after that deadline.

Yours truly,

Lynne Anderson
Chief Commissioner
