Dear Ms. Marconi,

RE: Tillsonburg Hydro Inc. (THI) 2024 Cost of Service Decision, EB-2023-0053

Tillsonburg Hydro received its decision on November 12th for the above noted decision and found a small clerical error in the tariff sheet. Rate class General Service 1,500 to 4,999 kW Service Classification was incorrectly named and should be consistent with Tillsonburg Hydro's 2023 Tariff Sheet as General Service Equal to or Greater than 1,500 kW Service. We request that this revision be made to ensure that THI's Tariff Sheet remains consistent to the last approved as no changes in THI's customer classes was proposed within the application.

If there are any questions, please contact me at 519-688-3009 ext. 4800, or by email at gpettit@tillsonburg.ca.

Yours truly,

Graig Pettit
