Dear Mr. Pickernell:

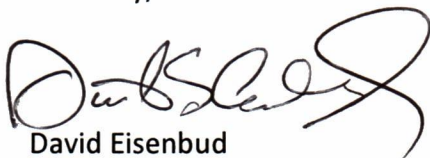

**Re: Request for Amendments to Generator Licence

Board File Number EB-2008-0319**

This is to confirm that Helios Solar Star A-1, Limited Partnership, owned by SunPower Energy Systems Canada, Corporation, is currently licensed as a limited partnership.

We wish to have the name "Helios Solar Star A-1 Limited Partnership" used for all three facilities, as this is the legal name of the entity under which the facilities will be operated. Please do not use HSSA-1 Helios Solar Star as mentioned in the application.

Should you have any further questions/concerns, please do not hesitate to contact me.

Sincerely,

David Eisenbud
Director, Canada System Sales
