Dear Ms. Marconi:

**Re: EPCOR Natural Gas Limited Partnership (ENGLP)
Application for 2025 Rates – South Bruce Service Area
Ontario Energy Board File Number: EB-2024-0238**

On August 15, 2024, ENGLP filed its Custom IR update to establish 2025 rates (the Application). Procedural Order No. 1 was issued on September 24, 2024, providing a process for interrogatories, response to interrogatories, written submission and reply submission. OEB staff filed a written submission on November 1, 2024. ENGLP filed a reply submission on November 12, 2024.

As part of ENGLP's reply submission, ENGLP noted that the draft rate schedule, included in the Application filed on August 15, 2024, did not have updated rates. ENGLP filed an updated draft rate schedule as Appendix A with its reply submission.

OEB staff has reviewed ENGLP's updated draft rate schedule and has no concerns with the updated draft rate schedule filed with ENGLP's reply submission.
