

NOTICE OF A RATE HEARING

Greater Sudbury Hydro Inc. has applied to change its electricity distribution rates effective May 1, 2025

If the application is approved as filed, a typical residential customer and a typical general service customer of Greater Sudbury Hydro Inc. would see the increases shown in the table below. Among other requests, Greater Sudbury Hydro Inc. is proposing to determine fixed charges on a 30-day basis rather than a monthly basis, to align with its billing system.

	Monthly	30-Days
Residential (750 kWh)	\$6.66	\$6.10
General Service less than 50kW (2,000 kWh)	\$12.34	\$11.99

Other customers, including businesses, will also be affected. It's important to review the application carefully to determine whether you may be affected by the proposed changes.

Greater Sudbury Hydro Inc. has also applied for approval of a proposed advanced capital module for the Moonlight Substation rebuild and to dispose of certain deferral and variance account balances, one of which would be disposed over a 10-year period.
