**RE: NQS Generation Group - Application for Review of Amendments to the Independent Electricity System Operator Market Rules**  
**Ontario Energy Board File Number: EB-2024-0331**

Dear Ms. Marconi,

HQ Energy Marketing Inc. ("HQEM") hereby requests intervenor status in the above captioned matter. HQEM is the Canadian power marketing subsidiary of Hydro-Québec outside the province of Québec. Hydro-Québec is one of North America's largest electric utilities – it is involved in transmission, distribution and generation of electricity from renewable energy sources, and in particular hydroelectricity.

HQEM is a market participant in the IESO-administered markets and sells into, buys from and wheels energy through Ontario to other neighbouring control areas.

HQEM's most recent participation in an Ontario Energy Board ("OEB" or the "Board") proceeding was the IESO's 2023, 2024, and 2025 Expenditures, Revenue Requirement, and Fees (EB-2022-0318).

HQEM is not requesting cost eligibility.

We request that copies of all documents and correspondence pertaining to this proceeding be served to HQEM as follows:
