## **OEB Proceedings:**

The Council has participated in many proceedings in the last twelve months. In all of the proceedings the Council has participated in we have been granted status as an intervenor.

## **Issues:**

The Consumers Council of Canada represents residential consumers of electricity. Residential consumers pay electricity commodity costs through the Regulated Price Plan. The amendments to the Market Rules which are at issue in this application are designed to provide benefits to electricity consumers by reducing system costs. If the Applicants succeed in their challenge to the Market Rules, commodity costs could be impacted. This will impact residential consumers.

## **Policy Interests:**

N/A

## **Hearings:**

It is premature for the Council to assess whether an oral or written proceeding is more

appropriate.

## **Evidence:**

The Council does not intend to file evidence in this proceeding .

## **Coordination with Other Intervenors:**

The Council typically coordinates with other intervenors in all proceedings. The Council intends to coordinate with the School Energy Coalition throughout this proceeding.

## **Cost Awards:**

The Council is applying for cost award eligibility. The Council has applied for cost awards in many cases over many years. The Council would be unable to participate in the absence of a cost award eligibility determination by the OEB.

## **Language Preference:**

English
