Re: **Advancing Performance-based Rate Regulation (EB-2024-0129)
Extension to Deadline for Written Comments**

In October 2024, the Ontario Energy Board (OEB) launched a consultation to advance its performance-based approach to rate regulation. As part of this work, the OEB held a stakeholder meeting on November 19, 2024, to discuss the actions the OEB can take to advance its performance-based approach to rate-setting. The OEB also invited stakeholders to provide written comments by December 13, 2024.

At the stakeholder meeting, the Electricity Distributors Association requested an extension to the deadline for written comments. The OEB has decided to extend the deadline for written comments to **January 8, 2025**, although the OEB encourages parties to file their written comments earlier, if possible. Comments should be filed in accordance with the instructions set out in Attachment A.

The OEB thanks stakeholders for their attendance and input at the stakeholder meeting and reminds them that the [materials](#) from the meeting are posted on the OEB's Engage with Us Advancing PBR webpage.

Any questions relating to this letter should be directed to AdvancingPBR@oeb.ca.

Yours truly,

Nancy Marconi
Registrar
