Dear Carrie Schwippl:

**Re: EB-2024-0060 Westario Power Inc. Application for 2025 Rates**

Please be advised that the Ontario Energy Board (OEB) has completed its review of your 2025 Price Cap IR application, filed on August 13, 2024.

Attached to this letter is a draft of the OEB's decision and rate order, for your prompt review. The attached Rate Generator Model reflects updates, as appropriate, for Hydro One Networks Inc. proposed host Retail Transmission Service Rates, as outlined in the OEB's [November 1, 2024](#) letter. Within seven days, please advise the OEB, in writing, whether or not you have identified any concerns (e.g., typographical or transposition errors, omissions, need for clarification, etc.) with respect to the draft decision and rate order.

The OEB will consider any identified concerns prior to issuing a final decision and rate order in due course.

Your comments or confirmations should be directed to the attention of the Registrar and be received no later than 4:45 p.m. on the required date.

Yours truly,

Nancy Marconi  
Registrar
