Dear Ms. Marconi:

**Re: Enbridge Gas Inc. 2024 to 2028 Rates Application
EB-2024-0111**

I am writing on behalf of the Green Energy Coalition and Environmental Defence pursuant to *Procedural Order #9* to file a presentation containing an outline of the testimony that we anticipate Chris Neme will provide through an examination-in-chief regarding the aspects of his Phase 1 evidence that are relevant to Phase 2 issues.

In addition, we have also attached for filing:

- The CVs of Chris Neme and David Hill;
- A document outlining the EFG experience with energy transition issues; and
- Several documents we expect to refer to in cross-examination of Enbridge's witnesses.

Yours truly,

Kent Elson
