Dear Dan Gopic:

Re: EB-2024-0028 Milton Hydro Distribution Inc. Application for 2025 Rates

The Ontario Energy Board (OEB) provided a draft Decision and Rate Order and a draft Tariff of Rates and Charges in relation to the above-noted proceeding on November 29, 2024. On December 5, 2024, in its comments on the drafts, Milton Hydro Distribution Inc. (Milton Hydro) noted that in the draft Tariff of Rates and Charges, the “microFIT Service Classification” page contained an unrelated section. Specifically, the Allowances section of the draft Tariff of Rates and Charges was on the same page as the “microFIT Service Classification” (page 9) instead of being on the top of the next page (page 10).

The adjustment has been made, as requested.

The OEB has now issued a final Decision and Rate Order, together with a final Tariff of Rates and Charges. Copies of these documents are enclosed with this letter.

Yours truly,

Nancy Marconi
Registrar
