Dear Laura Hampton:

**Re: EB-2024-0036 InnPower Corporation Application for 2025 Rates**

The Ontario Energy Board (OEB) provided a draft Decision and Rate Order and a draft Tariff of Rates and Charges in relation to the above-noted proceeding on November 29, 2024. On November 29, 2024, in its comments on the drafts, InnPower Corporation (InnPower) noted that for the Sentinel Light Global Adjustment Rate Rider, there was a discrepancy in the values between two tabs – Cell E182 in tab “20. Final Tariff Schedule” showed the value as “0.0061” whereas Cell I378 in tab “21. Bill Impacts” showed the value as “0.0062”.

The OEB has updated the tab “21. Bill Impacts” to now align with the value of “0.0061” for the Sentinel Light Global Adjustment Rate Rider.

The OEB has now issued a final Decision and Rate Order, together with a final Tariff of Rates and Charges. Copies of these documents are enclosed with this letter.

Yours truly,

Nancy Marconi
