Dear Sherry Gibson:

Re: EB-2024-0037 - Kingston Hydro Corporation Application for 2025 Rates

The Ontario Energy Board (OEB) provided a draft Decision and Rate Order and a draft Tariff of Rates and Charges in relation to the above-noted proceeding on November 29, 2024. On December 4, 2024, in its comments on the drafts, Kingston Hydro Corporation noted the following typographical errors in the draft Decision and Rate Order:

- A request to revise the last sentence on page four to read as: “The stretch factor assigned to Kingston Hydro is 0.15%, resulting in a rate adjustment of 3.45%” as opposed to “... a rate adjustment of 3.25%”
- A request to revise the Table 7.1 “Total Claim (\$) C=A+B” column value for the “LV Variance Account” row to (308,557) as opposed to (308,577)

The OEB has approved and made the above-noted revisions in the final Decision and Rate Order.

The OEB has now issued a final Decision and Rate Order, together with a final Tariff of Rates and Charges. Copies of these documents are enclosed with this letter.

Yours truly,

Nancy Marconi
