**DECISION AND ORDER**

Early Bird Power, LLC (Early Bird) filed an application on October 3, 2024, with the Ontario Energy Board (OEB) pursuant to section 50 of the *Ontario Energy Board Act, 1998* (OEB Act), for a gas marketer licence renewal. The granting of this licence would enable Early Bird to act as an agent or broker for natural gas in Ontario.

This Decision and Order is being issued by the Delegated Authority pursuant to Section 6 of the OEB Act. The Delegated Authority has considered the application without holding a hearing pursuant to section 6(4) of the OEB Act.

Early Bird Power, LLC's application for a renewal of its agent only gas marketer licence is granted. When evaluating applications for gas marketer licences, the OEB focuses its consideration on the requirements set out in *Ontario Regulation 90/99: Licence Requirements - Electricity Retailers and Gas Marketers* under the OEB Act (Regulation). After considering the application and assessing the applicant's technical capability, financial viability and conduct, the OEB finds that Early Bird Power, LLC. has met the requirements set out in the Regulation.

**IT IS ORDERED THAT:**

1. The application for an agent only gas marketer licence is granted, on such conditions as are contained in the attached licence.
