Dear Ms. Marconi,

**RE: EB-2024-0200 Enbridge Gas Application for leave to construct natural gas pipelines
in the City of Ottawa – Submission by Energy Probe on the Form of Hearing**

In Procedural Order No.5, for the EB-2024-0200 proceeding the OEB provided an opportunity for parties to file submissions on the need for an oral hearing (versus a written hearing) in this proceeding.

In its intervention, Energy Probe did not indicate a need for a specific form of hearing. Energy Probe believes that there is now sufficient evidence on the record, and it will not need further discovery by an oral hearing. Energy Probe supports Enbridge's request for a written hearing.

Respectfully submitted on behalf of Energy Probe.
